

Terms and Conditions for Free Commission Trades

Eligibility and Offer Details

- This promotion is available to new clients who open an account with AvaFutures and make an initial deposit (First Time Deposit, FTD).
- The number of commission-free trades awarded will depend on the amount of the initial deposit.
- Each commission-free trade is calculated as one contract per side (one lot) for the qualifying trades.
- This offer is valid for 90 days from the date of the FTD.

Refund Process

- For each qualifying trade, AvaFutures will refund the broker commission immediately to the user's MT5 account.
- The refund applies only to broker commissions and does not cover exchange fees, NFA, or auto-liquidation fees.

Examples of 25 Commission-Free Trades

• Example 1

If a user buys 1 micro-S&P contract:

Broker commission: **\$0.75** Exchange and NFA fee: **\$0.37**

AvaFutures will refund only the \$0.75 broker commission.

The refund will be processed immediately after the broker commission is charged to the user's MT5 account balance.

• Example 2

If a user buys 20 micro-S&P contracts and subsequently closes 15 micro-S&P contracts (total of 35 contracts):

Total broker commission: **$\$0.75 \times 35 = \26.25**

Total exchange and NFA fee: **$\$0.37 \times 35 = \12.95**

Total charges: **$\$26.25 + \$12.95 = \$39.20$**

AvaFutures will refund the broker commission for the first 25 contracts, amounting to \$18.75 ($\0.75×25).

Exclusions

- The free trades apply solely to broker commissions. Exchange fees, NFA, auto-liquidation, are not covered by this promotion.
- The refund applies only to broker commissions and does not cover exchange fees, NFA, or auto-liquidation fees.
